The Artel seeks to contribute to the development of a dynamic and diverse arts scene by encouraging an open dialogue among artists, between artists and arts organizations, and between artists and the wider regional community.

Terms of Tenancy

Tenants can lease for a term of one year minimum. Tenants can stay as long as they like but need to have their tenancy reviewed by the tenant committee (made up of the other tenants) after two years. The Artel encourages all current and outgoing tenants to assist in the search for incoming tenants. Subletting can occur with the approval of all continuing tenants and the consultation of the committee. First and last rent payment is required for all incoming tenants.
